Dear Ms. Moran:

I sent a letter with a motion for certificate of appealability, and a motion for post conviction relief dated March 12, 2008.

As of today, I have not receive any response. I want to know if the documents are frivolous and/or meritless for review. If I made error (s), I want to know the errors. Perhaps I may amend if necessary.

I believe that Guam courts do not expect prisoner (s) to sought post conviction relief. What good are attorneys if the prisoner is pauper? Especially, when court appointed attorney had been dead for years.

My case fall under the old law. Not under the new laws made by congress. My case has merit to be heard anew.

Respectfully,

Francisco S.A. Ignacio
